To Whom It May Concern,

We at Coleman Construction, Inc. have had the good fortune to work with R.L. Wiley Electrical Contractors, Inc. on many projects. In this day and age it is refreshing to have an opportunity to work with another company that shares our work ethic. Robert and his employees have shown their commitment to complete all projects, professionally and in a timely manner.

On several occasions I have witnessed Robert Wiley, and his company, go the extra mile to ensure the complete satisfaction of their customers. The company has even incurred extra expenses to complete projects timely and professionally without passing them on to the customer. He and his company are truly dedicated to the customer and their complete satisfaction.

We look forward to working with R.L. Wiley Electrical Contractors, Inc. on many projects in the future and hope that they are given the opportunity to prove their worthiness to you and your company as they have ours.

Thank you for your time and consideration.

Sincerely,

Ken Coleman, President
